

Chris Grundy Guitar Lessons

In your your own home. The areas which I am currently teaching include Shinjuku, Shibuya, Suginami, Setagaya, Meguro, Minato, Chiyoda wards.

Lesson Fee Schedule:

In your home: 6000yen/60mins lesson, within the above areas. Please ask if you live beyond these wards.

Teaching Mondays to Thursdays

◆ 3pm-7pm is the peak time and is reserved for weekly students, outside(before and after) those times is for both weekly and casual students.

◆ To secure a weekly schedule, I do ask for a 2 lesson fee deposit. This will be held until the student moves on, and will be used to pay for the final two lessons, whenever that may be. This means, I require 2 weeks notice minimum when a student is to move on. Finishing up without a minimum 2 weeks notice will mean the deposit is forfeited.

Cancellation Policy

◆ Lessons canceled *less than 2 hours* before scheduled lesson time, a half lesson fee rate will be applied.

◆ Cancellation can be done by phone, text, Line app, Whats App or email. I will confirm I have received this notice.

◆ If there is a “no show”, I will call to check at the scheduled lesson start time, and again after 15mins. If there is no reply, a full lesson fee rate will be applied.

◆ Please just let me know if you are running late, it may be possible we can still do the full hour lesson, if scheduling permits.

◆ For weekly scheduled students, with notice(more than 2 hours), there is no cancellation fee, but repeated cancellations may mean I ask to schedule lessons outside of the peak times. (of course general school holidays are not considered as a repeated cancellation)
